## SOFT COAL MINERS THROUGHOUT THE COUNTRY STRIKE

Nearly 100,000 Fail To  
Report in Pennsylvania  
and West Virginia

### HUGE DAILY LOSS

Believed It Will Run 300,000  
Tons Daily, With Nearly  
1,000 Pits Closed

By Allan A. Kistler  
L. N. S. Staff Correspondent

PITTSBURGH, Apr. 1.—(INS)—  
Nearly 100,000 bituminous coal min-  
ers in Pennsylvania and West Vir-  
ginia today failed to report for work  
as the nationwide soft coal strike  
went under way.

Full effects of the strike was not  
expected until tomorrow because  
miners traditionally celebrate April  
1 as John Mitchell Day, in honor of  
the man who was president of the  
United Mine Workers, when the  
eight-hour day was established.

Francis V. Casey, Solid Fuels Ad-  
ministrator, said production loss  
would run nearly 300,000 tons daily  
and close at least 1,000 pits. The  
coal production loss will cut deep  
into the steel industry.

Robert Laine, secretary of the  
Mineral Producers' Association,  
said strip mining operation would  
continue during the strike. He  
pointed out that the strippers are  
not members of the union and re-  
ceive better than union wages.

The strip miners operate in ex-  
cess of 400 mines in Pennsylvania  
and produce enough coal to supply  
utilities, hospitals and other insti-  
tutions.

A spokesman for the miners said  
they did not anticipate any trouble  
and added that the present plans do  
not even call for pickets at mine  
shafts. Most of the miners have

### One-Third of Red Cross Quota Secured in Area

By Ann Hawkes Hutton

Your Red Cross contribution will  
help to carry on the many Red  
Cross services planned for 1946.  
Bristol area's quota is \$30,298,  
and to date \$10,400 has been sub-  
scribed.

The American citizen who learns  
first aid, the housewife who gets  
new nutrition tips for her family,  
the little boy at camp who learns to  
swim under the supervision of a  
trained life guard—all are receiv-  
ing the benefits of the American  
Red Cross health, education and  
safety services. This year the Red  
Cross will spend \$3,575,000 to main-  
tain these services throughout the  
United States.

Your contribution will help to  
provide home visits by Red Cross  
public health nurses to the sick in  
needy families. It will help the sick  
in war-ravaged countries abroad, as  
well.

It will aid in providing the surgi-  
cal dressings which are so vitally  
needed. So great was their shortage  
in Yugoslavia this winter that hospi-  
tals had to use bandages and surgi-  
cal dressings over and over again.  
Clothes for the ill clad, food for  
the undernourished, especially milk  
for the hundreds of babies in war-  
ravaged Europe and China who are  
being denied it!

For our servicemen, both those  
overseas and those in hospitals in  
this country, recreation is a vital  
need. Your contribution will help  
to provide various types of amuse-  
ments such as Red Cross clubs, re-  
and games for blind veterans in  
hospitals.

Give for those who gave so val-  
iantly for you! Make your contribu-  
tion today in this last Red Cross  
appeal for 1946!

## HERE AND THERE IN BUCKS COUNTY TOWNS

### Activities of Interest To All in The Various Communities

### GLEAINED BY SCRIBES

The British war bride of Sgt.  
Arlington Applebach is now with  
her husband at the home of his  
mother in Perkasee.

Mr. and Mrs. Applebach were  
married at Droitwich, England, on  
September 22, 1945. Several weeks  
later the husband was returned to  
this country, and was honorably  
discharged from the army in No-  
vember.

He met his bride while he was in  
training with an artillery unit.

More than 50 farmers from Per-  
kasee area heard a talk on the feed  
situation Wednesday evening, when  
they were guests of the Perkasee  
Lions Club at its annual farmers'  
night meeting. The speaker was  
Sterling White, sales manager of  
one of the largest milling com-  
panies in the country.

He introduced his subject by  
lauding the farmers of the country  
for the magnificent job they did  
during the war despite great handi-  
caps because of the shortage of  
labor and machinery.

Speaking of feeds, Mr. White said  
that during the four-year period im-  
mediately preceding the war the an-  
nual consumption of mill feeds by  
herds and flocks of this nation aver-  
aged 106 million tons a year. Dur-  
ing 1942 and 1943 the consumption  
reached an all-time high of 145 mil-  
lion tons. The two years immedi-  
ately following showed a consump-  
tion of 141 million tons and 132 mil-  
lion tons.

The annual father and son ban-  
quet of the Future Farmers of  
America connected with Springfield  
high school was held Thursday  
in Coopersburg Town Hall.

Ray H. Giesmann, who left his  
position as teacher of vocational agri-  
culture at Springfield high school  
two years ago to enter the army,  
has now received his discharge and  
will resume his position next Mon-  
day.

All the schools of Springfield  
township were closed on Friday be-  
cause the teachers attended ses-  
sions of Schoolmen's Week in Phil-  
adelphia.

A meeting for all the teachers of  
Springfield township will be held at  
the high school building on Mon-  
day afternoon.

## A SUMMARY OF THE NEWS

The Soviet Union has deposited  
the full amount of its contribution  
to the account of the United Na-  
tions, thus strengthening the im-  
pression that Russia's absence from  
the Security Council sessions are  
related only to the subject of Iran.  
American and British representa-  
tives, having heard that Iran's re-  
plies to the questions propounded  
by the Council might be received  
today, were hopeful that Moscow  
would reply by the time set, 11 a. m.  
Wednesday.

Pravda, the Communist party  
paper, commenting on the Iranian  
dispute, indicated that Ambassador  
Gromyko, who left the Council table,  
had Moscow's backing. Discussion  
of the issue has become "super-  
fluous," Pravda said, in the light of  
Red Army withdrawals from Iran.  
This led some London observers to  
fear that Moscow might not reply  
to the Council's request for detailed  
information on negotiations be-  
tween the two countries.

Iran, too, showed her faith in the  
UNO when Premier Ghamam, urging  
a five-year plan, suggested that ex-  
perts of the Economic and Social  
Council be asked for advice.

Bulgaria reshuffled her Govern-  
ment, but it remained a Fatherland  
Front-Communist coalition when  
Moscow found that the demands of  
opposition parties for representa-  
tion were "unacceptable." London

## LETTERS GRANTED IN THE ESTATE OF MRS. J. G. WEBSTER

Heirs of Late Hulmeville  
Woman Are Husband  
And Two Sons

### THE THOMAS WILL

Late Quakertown Woman  
Arranges Bequests For  
Church and Poor

DOYLESTOWN, Apr. 1.—Letters  
of administration in the estate of  
Mrs. May F. Webster, late of  
Hulmeville, have been granted to  
her husband, Jesse G. Webster,  
Hulmeville, amounting to a per-  
sonal estate of \$3000.

The heirs are her husband and  
two sons, Hugh B. and Edwin H.  
Webster. Mrs. Webster died on  
January 17th.

Raleigh C. Taylor was granted  
the letters of administration in the  
estate of Mabel B. Taylor, of War-  
minster, amounting to a personal  
estate of \$400. The husband, three  
sons, Harold, James and Raymond,  
and a daughter, Mildred Ewing, are  
the beneficiaries. Mrs. Taylor died  
Oct. 10, 1945.

Bequests, which ranged from buy-  
ing coal for the church and aiding  
Quakertown's poor to assisting the  
Salvation Army and a children's  
home, are contained in the will of  
Sarah L. Thomas, of Quakertown,  
who left a personal estate of \$8,000  
and real estate valued at \$5,000.

Miss Thomas, who was a member  
of one of Quakertown's oldest fam-  
ilies and died February 22, created  
numerous trust funds.

The sum of \$2500 was placed in  
trust to provide an income to buy  
coal for Quakertown Methodist

## Hold Driver in Death Of Scranton Resident

QUAKERTOWN, Apr. 1.—Le-  
roy VanLeir, 24, of Elmer, N. J.,  
was held by a coroner's jury here  
as responsible for the death of Jo-  
seph Nowak, 60, of Scranton, Bucks  
Co. Coroner Alfred Rigby, Corn-  
wells Heights, conducted the in-  
quest on Wednesday evening.

Nowak was crushed to death on  
March 16 when the automobile he  
was operating was wrecked in a  
collision with a tank truck and a  
trailer, driven by Van Leir along  
Route 309, south of Quakertown.

By direction of Coroner Rigby,  
following the jury's verdict, Van  
Leir was placed under a \$2,500 bail  
bond, pending action by the Bucks  
county grand jury on a charge of  
involuntary manslaughter. The de-  
fendant was represented by Web-  
ster Achey, Doylestown attorney.

The verdict of the jury was that  
it appears from the evidence pre-  
sented that Joseph Nowak, on  
March 16, 1946, met instant death  
as the result of injuries sustained  
in a collision between a tank truck  
trailer driven by Leroy Van Leir,  
and a motor vehicle operated by  
Joseph Nowak. Evidence shows that  
Leroy Van Leir was criminally neg-  
ligent and the jury recommended  
that he be held for action by a  
Bucks county grand jury.

Members of the jury, all resi-  
dents of Quakertown, were Paul  
Ahlum, foreman; John Pritchard,  
the Rev. H. W. Hartman, Clyde  
Snell, Frank Rantz, and Miles  
Fosbender.

SCHWELLENBACH TELLS NEWSMEN COAL STRIKE IS CERTAIN

LEWIS SAYS MINERS WILL "STAY HOME AND TAKE A REST"

FACED BY THE SUNDAY MIDNIGHT HOUR when existing soft-coal con-  
tracts were to expire, and—as United Mine Workers president John L.  
Lewis expressed it—with "not a comma or a semicolon" of a new mine-  
wage contract yet written, Secretary of Labor Lewis B. Schwel-  
lenbach told reporters in Washington that a country-wide strike of  
soft-coal miners could not be averted. Miners' chief Lewis (bottom

Direct to Cannery

### AN AID TO FARMERS

DOYLESTOWN, Apr. 1.—Ar-  
rangements are made to install here  
one of the tomato centers of this  
section of Pennsylvania, aiding the  
farm-to-cannery shipments.

With plans now complete for the  
erection of one of the leading to-  
mato-loading stations and ware-  
houses in this section of the state,  
the county seat is assured of thou-  
sands of dollars worth of additional  
business this year.

The new loading station and  
warehouse are being built by Er-  
nest L. Buckman on his property at  
Easton Highway and Mercer ave-  
nue, in a part of the town where  
industrial and business develop-  
ment is growing by leaps and  
bounds.

Tomatoes raised by a group of  
Bucks county farmers will be de-  
livered by trucks to the local load-  
ing station and warehouse, and

## Should Cut Debt

Buchanan, Va., April 1, 1946.  
The public debt is not a party  
matter. We are all Americans,  
and each one is carrying a part  
of the load.

We should all be sensible  
enough to know that the most  
rigid economy is necessary if we  
ever hope to reduce our colossal  
debt. The public payroll should  
be lightened and no money ap-  
propriated except for the most  
essential things.

## ONE MAN'S OPINION . . .

By Walter Kiernan  
(Distributed by International  
News Service)

UNO HALL. (Exclusive)—  
Now it can be told!

As soon as Gromyko began  
speaking Russian I wired the  
news desk . . . "This is it!"

They wired back . . . "This  
is what?" In a terse message  
filled with inner meaning I  
flashed the reply . . . "This  
is Russian he's speaking!"

Then I sat up all night wait-  
ing for Winchell and Pearson  
to confirm it . . . I don't want  
to go back to the grocery  
business.

But my interview with Gromy-  
myko will go down in journal-  
istic history. Approaching him  
as he left the Council chamber  
I said . . . "Mr. Gromyko . . ."  
He said "I deny everything."

It wasn't much but little as  
it was I whipped 20 thousand  
words out of it which soon will  
appear under the title "Gromy-  
myko . . . as I knew him" . . .  
or . . . "Just plain Andrei."

The Council is in recess now  
. . . the boys decided to wait  
until April Fools Day was  
safely past.

### P-51 Drops from Heaven for "Bucks County Scientific Society"

Philadelphia.—The southwest Philadelphia Airport was saddled today  
with a bundle from Heaven, which seems destined to remain an orphan.

A mixed-up tale which has airport officials in a quandary, began yester-  
day when an Army P-51 dropped out of the sky under the control of  
Captain Ray Litte, of Altenburg, Mo.

Litte, an ace in the European Theatre, with 23 German planes to his  
credit, said he had piloted the plane 3000 miles for delivery to the Bucks  
County Scientific Society for \$1500 and that is when the trouble started.

No one had ever heard of the Bucks County Scientific Society. No one  
was there to claim the plane in the Society's name and despite newspaper  
stories and radio broadcasts telling the organization of the plane, there  
was no response. Captain Litte, with patience exhausted finally gave up  
and boarded a commercial plane back home.

The P-51 is still at the airport.

Does anybody know of the Bucks County Scientific Society?

### MAKING PROGRESS

The disclosure that fissionable  
materials can be "denatured" and  
thus made useless for the purpose  
of making atomic bombs means  
that it will be easier to arrive at a  
plan for sharing the benefits of  
atomic energy among all peoples.  
It does not mean that the problem  
of controlling the bomb has been  
simplified.

That is apparent in what has  
leaked out of the closed session of  
the Senate Atomic Energy Com-  
mittee at which Undersecretary of  
State Dean Acheson presented  
recommendations drawn up by a  
State Department group that has  
been studying the matter. This  
report proposed an international  
licensing system to control the  
production of raw materials and  
their allocation to plants that  
would process them for use. But  
the secret of the bomb, apparently,  
would be kept by this country  
during the initial stages.

Eventually, under the reported  
plan, the atomic bomb would be  
barred as a weapon of war by  
international treaty and the weap-  
ons already on hand, together  
with the plants for their manufac-  
ture, would be placed under con-  
trol of the United Nations. That  
would come when all countries  
agreed to a world-wide system of  
inspection so that no government  
could produce the bomb in secret.

This account of the State De-  
partment's study may be incom-  
plete and inaccurate. The report  
has not been made public. It is  
sufficient to indicate, nevertheless,  
that measures to control this ter-  
rible new weapon and at the same  
time make atomic energy avail-  
able to serve mankind present a  
difficult challenge to American  
policymakers.

### LAST OF GREELY'S BAND

Brig. Gen. David L. Brainard,  
last survivor of the ill-fated Greely  
Arctic expedition of 1881, died in  
Washington at the age of eighty-  
nine, and his death went all but  
unnoticed.

The expedition accomplished  
what it set out to do, establish a  
"farthest north" and break the  
300-year record held by the Brit-  
ish. It had just turned back from  
the Arctic Circle laden with val-  
uable scientific data when disaster  
overtook its twenty-five men.

Two relief ships in two years  
failed to reach their camp and all  
except eight perished of cold and  
starvation. Of these eight one  
was shot and one died on the way  
home after rescuers finally reach-  
ed them in 1884. The tragedy  
shocked the world and has been  
subject matter for discussion and  
literature ever since.

One secret was never revealed  
—the full story of the execution  
of a member of the party, Charles  
Buck, twice caught stealing food  
from the carefully-rationed store  
of "Starvation Camp." With the  
lives of the others at stake, Gen.  
Adolphus Greely ordered him  
shot. General Brainard, then a  
sergeant, and two others com-  
prised the firing squad. They  
dug straws to determine which  
should fire the only serviceable  
rifle and solemnly swore one an-  
other to secrecy. The secret now  
has died with General Brainard.

## ECHOES OF THE PAST

(By Courier Staff Member)

Review of the news as it appeared in the Bucks County Gazette  
issue dated at Bristol Feb. 5, 1891. The Gazette, a weekly news-  
paper published in Bristol, was discontinued following its merger  
with the Courier.

A gang of railroad robbers con-  
sisting of three men and two wom-  
en were arrested at Philadelphia  
yesterday and about \$500 worth of  
stolen property recovered. In addi-  
tion to robbing freight cars the  
gang entered and robbed about 20  
residences and stores in Trenton,  
and also committed similar depreda-  
tions in Bristol and Burlington.

There was not a quorum present  
at the Board of Trade meeting last  
night, and the discussion on "Buy-  
ing at home" was postponed until  
next Wednesday evening.

The public house of Mrs. Hannah  
Houghton, on Bath street, was sold  
at public sale last Saturday to Al-  
fred C. Johnson, for \$621.

The Republican nominating con-  
ventions for borough offices will  
be held on next Wednesday even-  
ing.

corner of Mill and Radcliffe streets,

Price, assisted by Dr. Burns of Phil-  
adelphia, Huntsman, of Humesville,  
and Pursell, of Bristol, operated on  
Mrs. Strauss, of Dorrance street,  
last Saturday and removed a tumor  
weighing nearly 70 pounds, from  
which she has suffered for several  
years. The patient is in a fair way  
to recovery.

The bell that will sound the hours  
in the tower of the new convent  
which Sister Katherine Drexel will

dominion in America, having for  
years been in use in one of the old  
missions of the Southwest.

## MERCHANDISE

## Miss Lillian A. Grupp Is Bride of Lt. Mudie

EDDINGTON, Apr. 1.—A double ring ceremony took place in Eddington Presbyterian Church on Saturday, at 2:30 p. m., when Miss Lillian A. Grupp, daughter of Mr. and Mrs. Otto Grupp, Jr., became the bride of Lt. Charles R. Mudie, son of Mr. and Mrs. Robert Mudie, Andalusia. The Rev. Arthur D. Sargis officiated.

The bride was attired in a gown of white silk, fashioned from a Japanese parachute which Lt. Mudie brought from Japan. It had a high neckline, yoke of net banded with wide lace and embroidered with iridescent sequins; fitted basque bodice, full skirt and train edged with a ruffled flounce. She wore a coronet headpiece and veil of Renaissance lace, trimmed with orange blossoms, and floor-length train, which had been worn by the bride's mother 25 years ago; long white gloves and white slippers. She carried a prayer book covered with a spray of white lilies, sweetpeas and baby breath flowers.

Mrs. James Nichols, Philadelphia, who attended her cousin as matron of honor, was dressed in a dusty pink rayon faille gown, with embroidered yoke, sweetheart neckline, cap sleeves, fitted bodice and long full skirt. A headpiece of turquoise tone ostrich feather tips, pink veil, long pink lace gloves, silver slippers and a single strand of pearls were worn. She carried a pink muff covered with turquoise tone sweetpeas and baby breath.

The bridesmaids were Miss Faye Harrison, a cousin of the bride; Mrs. Russell Jones, sister of the groom, Eddington; and Miss Doris Ely, Cornwells Heights. They wore gowns styled similarly to the matron of honor's gown, being of turquoise tone; headpieces of pink ostrich feather tips, turquoise veils, and lace gloves, silver slippers and single strands of pearls. Turquoise tone muffs covered with pink sweetpeas and baby-breath flowers were carried.

Jean Ann Mudie, five-year-old niece of the groom, was flower girl, she wearing a dress of white with full skirt of nylon, and taffeta underslip, broadcote yoke and short puffed sleeves. She wore a crown of white flowers, and carried a basket of vari-toned sweetpeas. Samuel Mudie, Jr., six-year-old nephew of the groom, carried the rings on a white satin pillow. He was dressed in a "soldier" suit.

William Lamou (Sp.), Y. 2/c, served as best man. Mr. Thomas Mudie, Mr. Samuel Mudie, Sr., brothers of the groom, and Mr. Otto Grupp, 3rd, brother of the bride, served as ushers. Mr. Otto Grupp, Jr., gave his daughter in marriage. Organ selections were rendered by Mrs. Walter Kirk, Andalusia, Mr.

### Today's Quiet Moment

By the Rev. W. E. Preston Haas  
Pastor  
Bristol Methodist Church

Eternal Father, speak to us in these moments of quiet meditation that we may learn Thy will for our lives and receive from Thee the power to do that will. We ask this in the spirit of humility and obedience and in Jesus' name. Amen.

Blake Ellis, Philadelphia, sang "At Dawning," "Because," and "The Lord's Prayer."

Mrs. Otto Grupp, Jr., mother of the bride, chose a dress of flamingo pink crepe, gray hat and accessories. Mrs. Robert Mudie, mother of the groom, selected an aqua-tone dress of crepe, black hat and accessories. Mrs. Grupp's corsage consisted of blue sweetpeas and baby breath. Mrs. Mudie's was of baby breath and pink sweetpeas.

A reception was held at the home of the bride's parents, 100 attending. The former Miss Grupp selected for her wedding trip a light green suit, brown coat, hat and accessories. The newlyweds have left for a three weeks motor trip to New England and Canada. They will reside in Eddington.

## HULMEVILLE

A daughter was born yesterday morning to Mr. and Mrs. Harry R. Barry, of the Walker Apartments, in Mercer Hospital, Trenton, N. J. The baby, who weighed 8 lbs., 1 oz., at birth, has been named Terry Lee. Mrs. Barry will be remembered as the former Miss "Betty" Greenlee, of Bristol.

The new electric organ, recently purchased for Neshaminy Methodist Church, was installed on Thursday, and used for the first time in service yesterday, with Miss Clara L. Illick at the console. The choir of the church arranged for purchase of the organ, with various groups and individuals donating to the fund. A recital is slated for the evening of Wednesday, April 24th, to which the public is invited.

Mrs. Harry Beck will entertain members of her club at her home tomorrow evening.

Mary Jane Chaus, of Bensalem Township, spent the week-end visiting her uncle and aunt in Philadelphia.

A group of members of the Youth Choir of the Methodist Church accompanied the Rev. Richard H. Gay to Evansburg last evening, the clergyman being invited to preach at his former charge there. The choir offered special numbers, with Mrs. Gay as accompanist.

## Soft Coal Miners Go On Strike in U. S.

Continued from Page One

plans for the first two weeks of the strike.

Some are going fishing, others are going to work in their gardens and fix up their homes, while others just plan to rest.

The Pennsylvania miners said they did not consider the walkout a strike but termed it as a "vacation." Railroads—especially those in the bituminous regions—will feel the effects of the strike almost simultaneously with the walkout. Pennsylvania and Baltimore and Ohio Railroad officials said they expected to lay off several hundred workers within a few days.

The steel industry looked forward to wholesale layoffs—some officials estimating the number at 200,000 within a week.

Carnegie-Illinois Steel Corporation officials have banked 20 of their 32 blast furnaces in the Pittsburgh area.
